

SPECIAL CONDITIONS OF PURCHASE -- INDEFINITE QUANTITY CONTRACT

1. Nature of These Special Conditions

These Special Conditions of Purchase--Indefinite Quantity Contract relate to the goods or services specified in the Contract, for the term set forth in the Contract. Any quantities of goods or services specified in the Contract are estimates only and are not purchased merely by entering into the Contract.

The Contract is not a requirements contract. Con Edison reserves the right to contract with others during the term of the Contract for quantities of one or more of the items covered by the Contract, whether or not at the time Con Edison has met its minimum purchase obligation as set forth below.

2. Maximum and Minimum Quantities

Seller or Contractor (either of whom is hereinafter referred to in these Special Conditions of Purchase as "Seller") shall furnish such quantities of the items listed in the Contract as Con Edison may order, subject to the following limitation: where estimated quantities are stated, Seller shall supply up to one hundred twenty five percent (125%) of the estimated quantity of each item and, in consideration thereof, Con Edison shall make purchases of items under the Contract, the prices of which in the aggregate equal an amount that is at least ten percent (10%) of the total contract price for the estimated quantities. (For the avoidance of doubt, such ten percent (10%) commitment is not based upon the purchase of ten percent (10%) of each item.) If no estimated quantities are stated in the Contract, Con Edison's minimum purchase obligation shall be an amount equal to ten percent (10%) of the total authorized dollar amount stated in the Contract. The unit prices shall remain firm regardless of the quantities of each item or of all items ordered and, except for the applicable minimum purchase obligation set forth above, Con Edison shall incur no liability for items not ordered. For the avoidance of doubt, it is specifically acknowledged and agreed that the minimum purchase obligation set forth above shall not apply in the event that Con Edison exercises its rights pursuant to the Termination for Convenience provisions or the Cancellation for Default provisions, directly or indirectly, incorporated in the Contract.

3. Orders for Goods or Services

Con Edison may order goods or services by issuing Standard Purchase Orders ("purchase orders") for specific quantities of goods or services to be furnished under the Contract. Delivery or performance shall only be made as authorized by the Contract.

Orders may be placed by issuing a purchase order electronically through Oracle E-Business Suite or by sending a purchase order in print form by overnight courier, mail, facsimile or e-mail. A purchase order shall be deemed issued at the time it is sent.

4. Terms and Conditions

All orders shall be subject to the terms and conditions included or referenced, directly or indirectly, in the Contract.

5. Partial Deliveries

The entire quantity of goods ordered in a purchase order shall be delivered in one shipment unless otherwise specified in such purchase order. A delivery of less than the entire quantity ordered in a purchase order may be rejected. If a partial delivery is accepted however, payment therefor shall not be due until the entire quantity is delivered.

6. Shipping Notices

With respect to goods ordered, Seller shall mail a shipping notice to Con Edison on the day items are shipped. Each shipment shall be accompanied by an itemized packing list that states the applicable purchase order number and the Con Edison identification number(s) of the items shipped.

7. Expenditure Limitation

Seller shall not deliver the goods or perform the services specified in any purchase order if the price thereof together with the price of all previous purchase orders issued under the Contract exceeds the total expenditure authorized by the Contract, unless and until the total amount of expenditure authorized under the Contract has been increased by means of a duly executed revision or amendment to the Contract. Seller shall inform Con Edison in writing when the total price of goods or services ordered under the Contract reaches seventy-five percent (75%) of the maximum expenditure authorized by the Contract.

8. Completion of Performance

Any purchase order issued under the Contract during the term of the Contract and not completed within that term, shall be completed by Seller within the time specified in such purchase order, and the rights and obligations of Seller and Con Edison with respect to such purchase order shall be governed by the terms of the Contract, as if performance of such purchase order had been completed during the effective period of the Contract.
